

LESSON 23

Topic: The Unshakable Love

Texts: Jeremiah 31:3

Aim: To remind and reassure believers of the unending love of God towards His children.

Introduction: In a world filled with uncertainties, diverse challenges, betrayals, hatred, evil and gross wickedness, it is easy for one to sometimes doubt if God's love is still available. His love remains intact and unquestionable because He is love. Unshakable love is the love that freely flows without any condition attached to it (unconditional) and nothing shakes it (unwavering). That is God's kind of love. His love for us is true and everlasting and nothing can ever diminish it. No wonder He showed us what love is by loving us while we were sinners, far gone from Him (Romans 5:8). It may interest you to know that God's love is not dependent on what you do or do not. That is how deep His love is. On the other hand, man's love is fleeting and can be conditional unlike God's which remains faithful and unshakable irrespective of your feelings, doubts, and mistakes. God is deeply committed to His children despite life's challenges, difficulties and troubles. His love remains consistent, strong and reliable and it is that same love that sustains believers and help them to face life squarely when the storms rage. Having a deep understanding of who God is, and that He has loved us with an everlasting love will help us navigate life without any iota of doubt and strengthen us to love Him more without any reservation.

Discussion Questions:

1. What are the attributes of God's love? Psalm 136:26; Romans 8:35-39; John 15:13; Lamentations 3:22 (; Jeremiah 31:3).
2. How can we reciprocate God's love towards us? Matthew 22:37 - 39; John 3:16; John 14:15, 21; John 13:35; List others
3. In what areas have you experienced the unshakable love of God? Discuss

CONCLUSION: God's love is deep, unfailing, unchanging, unconditional, unending, steadfast and unfathomable. Jesus' sacrifice on the cross is a guarantee of God's unshakable love for mankind. No matter what we face in life; persecution, sickness, afflictions, famine, lack, God's love remains intact and unwavering. His love is constant and is available to pull us out of life's awkward situations and no force on earth can separate us from His love. His love transcends and surpasses every other kind of love. Such love that is so comforting, reassuring and endearing should be reciprocated. Let us therefore resolve to bask in the love of our father, lay our burdens and shut every iota of doubt we have in our heart, knowing that His love is so deep and wild and has the power to guide and see us through life.

Memory Verse: Romans 8:39 "There is no power above us or beneath us- no power that could ever be found in the universe that can distance us from God's passionate love, which is lavished upon us through our Lord Jesus, the anointed one". (The Passion Translation)
