

LESSON 9

Topic: He Took our Infirmities

Text: Matthew 8:14-17, Isaiah. 53:1-5(NIV)

Aim: To remind believers that Jesus came to bear their infirmities and make them whole and that He is still in the business of healing.

Introduction:

Infirmity is a state of physical weakness, sickness and diseases. Infirmity brings one down and makes one incapacitated. Infirmities can be physical or spiritual. While a physical infirmity can hinder one from his day-to-day activities through body weakness, affliction and sickness, a spiritual infirmity is a condition that leaves one spiritually derailed, retrograded, and carnally minded. In this study, we will understand that Jesus is the one that takes away our infirmities. “The chastisement of our peace was upon him and by his stripes we are healed” (Isa 53:5b). From the statement above, we can see that healing is a present continuous process.

Study Questions

1. From the following passages, in what ways does Jesus heal or take away infirmities? Ezek. 43:12; Luke 5:18-20; Jn. 9:6-7; Psa. 107:20
2. Discuss with testimonies, how Jesus healed or took away your infirmities
3. Despite the promises in the word of God, why do people still not get healed of their infirmities? Isa. 59:1-2; Matt. 17:19-20; 2 Cor. 12:8-10

Conclusion:

Jesus died and took away our infirmities. He died that we may have life and have it more abundantly. For this purpose, the Son of God was manifested, that He might destroy the works of the devil (1 John 3:8b). He went to the cross that He will deliver us and make us whole and He is still in making us whole. Only believe in the finished work at the cross. He will take your infirmities.

Memory verse: Luke 6:17b - And a great multitude of people out of all Judaea and Jerusalem, and from the seacoast of Tyre and Sidon, which came to hear him, and to be healed of their diseases.
